A 7,000 sq ft contemporary gallery addition, the **Showplace for Saddlebreds**, will be added onto the Museum's current facility and opened by the start of the Alltech FEI World Equestrian Games in September 2010.

The much needed addition will feature a changing exhibit gallery, an art gallery, a relocated Gift Shop, and an entrance/exit into the Kentucky Horse Park with a pathway connecting to the KHP's main campus.
